Dear Dr. Hasan,

I am pleased to inform you that the Board of Trustees of the Academia Europaea decided to offer you our endorsement for 'The Science Bridge' initiative. We will be pleased to join in with 'The Science Bridge' and to work with the initiative to spread education and research collaborations and activities without borders for the good of humanity.

Our link for this cooperation will be Professor Alex Verkharatsky, who is a member of our Board of Trustees and the chair of our Life Sciences class.

He will be your contact for future discussion.

With best regards

Yours sincerely

Sierd Cloetingh
