

Leioa (Spain), August 1<sup>st</sup> 2017

**TO WHOM IT MAY CONCERN:**

In my condition of Scientific Director of the fundamental and translational research centre  
"Achucarro Basque Center for Neuroscience" (ACHUCARRO)

I want to formally express my personal endorsement, and the one of the institution I represent  
to the initiative

The Science Bridge (TSB)

And I also manifest the willingness of ACHUCARRO to help and support with the  
administration and operations of TSB, while this initiative is constituted and has its own  
resources for doing so.

In witness of whereof, I sign this document on the stated place and date.

Carlos Matute

Full Professor of the University of the Basque Countr (UPV/EHU)

Scientific Director of ACHUCARRO
